

Political and Services Department.

Bhubaneswar, dated the 5th March, 1973
the 14th Falguna, 1894.

OFFICE MEMORANDUM.

Sub :- Protection of services of permanent and temporary Government servants in different Departments and offices of Government who are selected for appointment under Dandakaranya Project.

Attention is invited to Political and Services Department Resolution No.5502-Gen., dated 4.5.61 in which it was decided that the benefits envisaged in Home Department Resolution No.27112-A. dated 29.12.58 for State Government servants appointed under Hindustan Steel Limited should be extended to the State Government employees appointed under Dandakaranya Project. Subsequently, in Political & Services Department Resolution No.8759-Gen., dated 18.6.63, it was also decided to extend the term of deputation of the State Government employees to the Dandakaranya Project till such time the Project need their services and they were allowed to retain their lien on the posts they hold in the parent Departments.

2. A question arose for consideration as to whether the concessions announced in the aforesaid circulars of Political & Services Department would be applicable to those employees who had joined the establishment of Dandakaranya Project prior to 4.5.61 - the date of issue of the aforesaid circular. In the context in which the various service facilities were allowed liberally to those who joined the Project on or after the said date, it seems to be quite unfair to withhold similar benefits to their counter parts who joined the Project prior to 4.5.61.

3. Government have, therefore, been pleased to decide that the concessions envisaged in the afore-said circulars of Political & Services Department can also be extended to those Government servants who joined the Project before 4.5.61, but the benefits should be restricted to only those who joined the Project on usual terms of deputation or on application through proper channel without resigning their jobs under the State Government.

Joint Secretary to Government.
