BHUBANESHWAR

Date 11.8.1998

Dear Shri Pegu

Sub: Issue of instructions on matters relating to reservation in posts and services vis-a-vis general conditions of service affecting all public services.

I am desired to say that the subject General Conditions of Service affecting all public services and interpretation of Rules pertaining thereto is allotted to General Administration Department and the subject matter of reservation in posts and services for the Scheduled Castes/Scheduled Tribes and Socially and Educationally Backward Classes is allotted to Welfare Department in the Orissa Government Rules of Business.

It has come to my notice recently that while issuing instructions on matters relating to the reservation in posts and services vis-a-vis General Conditions of Service affecting the public services, concurrence of General Administration Department was not obtained by the Welfare Department.

Therefore I request you that in future while issuing instructions on the above subject, concurrence of G.A. Deptt. as well as of the Law Department should be obtained to avoid unnecessary legal complications.

Yours sincerely,

( S.B. Mishra )

Shri G.N. Pegu, I.A.S.,  
Commissioner-cum-Secretary to Govt.,  
Welfare Department.
