

RESOLUTION
Bhubaneswar, dated the 21st Janu. 1982.

No. 2174/Gen. Government in the erstwhile Political & Services Department Resolution No. 7427/Gen. dated 6.4.1966 had decided that 13% vacancies arising in a year in the categories of class III posts just above class IV posts should be filled up by Class IV employees, who have passed at least ME School certificate examination or an equivalent examination and have rendered not less than five years of service under Govt. provided they come out successful in a qualifying test prescribed for the purpose. These instructions remained inoperative as it was impracticable to hold selections in the manner prescribed in that resolution. In order to implement the decision of Govt. properly, it has now been decided that for each department of secretariat the qualifying test will be conducted once a year by a committee consisting of two officers of the rank of joint secretary/Deputy Secretary to Govt. to be nominated by the Secretary of the Department and the Under Secretary/As Secretary incharge of office establishment in the Department. In respect of the appointing authority and two other Gazetted Officers to be nominated by the appointing authority. The Senior most officer will preside over the meetings of the committee.

2. The candidates will be subjected to a simple viva-voce for testing their intelligence, general knowledge and ability to read and write simple English.

3. It has also been decided that instead of 13% as prescribed earlier, 33.1/3% of the vacancies in these posts should be ads available for Class IV employees selected in the above manner. Further since the number of vacancies in each Deptt./Office in a particular year would be small, the vacancies meant for class IV employees, who qualifying the above manner, shall be earmarked in a continuous poster. Every 3rd vacancy in the roster should be filled up by class IV employees, who fulfill the above conditions. If the vacancy earmarked for them in this manner is already reserved for S.C./S.T. candidates or for handicapped persons, the next clear vacancy should be earmarked for the class IV employees, who qualify for the post.
