OFFICE MEMORANDUMBhubaneswar, the 17th December, 1991.

Subj. - Payment of cash equivalent of leave salary to Government servants in case of death in service, retirement on superannuation, voluntary retirement etc. - clarification regarding.

The benefit of cash equivalent of unutilised leave salary is now admissible to Government servant in case of death in service, retirement on superannuation, voluntary retirement etc. subject to conditions prescribed under the existing instructions. A question has arisen as to whether such cash equivalent of leave salary can be withheld by the competent authority in case of such a Government servant for possible adjustment of Government dues against him.

2. The matter has been examined and after careful consideration, it is hereby clarified that the authority competent to grant leave may, in case of Government servant who ceases to be in Government service by death/retirement or otherwise and for which the benefit of cash payment in lieu of unutilised leave is permitted, withhold whole or part of the cash equivalent of unutilised leave salary if in the opinion of such authority there is a possibility of some money becoming recoverable from him/her on conclusion of a disciplinary/criminal proceeding against him/her or on regularisation of the period of suspension during service. On conclusion of the proceedings or the regularisation of the period of suspension, the Government servant will, however, become eligible to the amount withheld after adjustment of Government dues, if any.
