Subject:- Service benefits to State Government servants and outsiders who rendered approved military service on return to employment under State Government from the commencement of emergency-Counting of Military Service.

It has come to the notice of Government that doubts have been expressed in regard to the period for which various concessions in matters of Pay, Seniority, Pension etc. to the State Government employees and outsiders on their return to Civil employment from Military service as indicated in Political and Services Department Memo No. 6225 dated 2.5.1963 should be given. In this Department letter No. 7566 dated 12.5.1964 it has been clarified that the period of emergency started from 26.10.1962, and the same, as is ascertained from the Government of India, ended on 10.1.1968. As such, the concessions indicated in the letter referred to above will be extended only to the Government employees and outsiders who were recruited to Military Service in between 26.10.1962 and 10.1.1968 and to none else.
