Use of Government Vehicles.

Sir,

I am directed to invite a reference to Political & Services Department letter No.2572(114)/Gen., dated 10.2.76 on the above subject and to say that the question of permitting Government officials to use Government vehicles under certain condition was under consideration for sometime past, There are officers who do not have conveyance of their own and some of them leave office at late hours in exigencies of Public Service. In such cases considerable difficulties are being faced by them in attending office and going back home in view of the issue of Government orders referred to above. In consideration of all these difficulties and in the interest of public service, it has been decided by Government that such of the officers who do not possess a conveyance of their own and such of them who stay on in their offices for official work and leave office at late hours may be allowed to use Government vehicle on payment. Hire charges for such use shall be in accordance with the Finance Department Memo No.Coles-152/76-74190(34)/F., dated 23.9.76.

Yours faithfully,

Sd/- J. A. Dave,
Chief Secretary to Government.
