Verification of character and antecedents of candidates selected for appointment to Civil posts under the Government of India - Elimination of delays in completion of verification reports.

Bhubaneswar, dated the 5th September, 66

Sir,

I am directed to invite your attention to this Department letter No. 6246(13)/Gen, dated 8.4.65 in which instructions were issued to the effect that references on verification of character and antecedents of candidates selected for appointment to civil posts should be disposed of as expeditiously as possible and the district authorities should not take more than six to eight weeks for the completion of verification and sending the report to the appointing authorities. In rare cases where delay beyond this period is unavoidable interim report has to be sent by the district authorities indicating the progress made in the matter. To eliminate delay it was further decided that the heads of districts may have monthly discussions with the concerned Police authorities with a view to finalise the pending cases.

The Government of India have ^{now} reported to the State Government that the district authorities are not adhering to the time limit prescribed for completion of the entire process of verification of character and antecedents of candidates selected for appointment under Government of India/Quasi-Government organisation/ Public undertakings etc. and cases of abnormal delay continue to occur. I am directed to impress upon you once again the urgency of submission of verification reports in time and to request that the instructions issued in this Deptt. letter referred to above may kindly be followed rigidly.

Yours faithfully,

Whip 3/9/66
Additional Secretary to Government
