Fixation of seniority of Scheduled Caste and scheduled Tribe Officers on their promotion to higher posts.

The undersigned is directed to say that doubts have been raised from time to time in several quarters about the manner of fixation of inter-se-seniority between the Scheduled Castes and Scheduled Tribe Officers vis-a-vis Others on their promotion to higher posts in the cadre. Some are of the opinion that the inter-se-seniority of the a-foresaid Officers being promoted to the higher posts shall be fixed as per the roster points. In this connection attention is invited to the provisions under Section 5(3) of the ORV Act 1975 which provides that the rosters shall be consulted for ascertaining the number of reserved vacancies, but the appointments shall be made in accordance with the order of procedure as shown in the select list. This means that the seniority of the Officers shall be determined in accordance with their position in the select list and not on the basis of the roster points. This has also been clearly elaborated in rule 7(a) (iii) of the ORV Rules, 1976.

2. Accordingly, it is clarified that the inter-se seniority between the Scheduled Caste and Scheduled Tribe Officers vis-a-vis others on their promotion to the higher grade in the cadre shall be fixed as per their position in the select list in terms of Section 5(3) of the ORV Act, 1975 read with rule 7(a) (iii) of the ORV in the posts and services (for Scheduled Castes and Scheduled Tribes) Rules, 1976 as amended from time to time and not as per the roster points.

3. This issues with the concurrence of H & T, W. Department in their U.O.R. No. 124 dt. 26.12.90.
