Age of superannuation of post-Clarification
regarding.

Sir,

With reference to your letter No.Pen. 9-Irrigation-338 dated 25th November, 1988 on the subject noted above, I am directed to say that the age of superannuation of a particular post is always determined according to classification of posts under Orissa Civil Services (Classification, Control and Appeal) Rules, 1962. This classification has been made in consideration of the job prescribed for the post. The scale of pay of the post held by an employee should not be taken into account in the context of the age of his superannuation. It appears from this Department Notification No.13973 dated 27.7.68 that the post of Work Sarkar, and Amin have been classified as Class. III posts whereas the post of Patrol has been classified as Class. IV. Hence, the age of superannuation of the post of Patrol should be 60 years according to rule. But in cases of Work Sarkar, and Amin, the age of superannuation should be 58 years.

It is further clarified that the age of superannuation of an employee first appointed as Work-charged staff and subsequently brought over to the regular establishment prior to his retirement shall be at par with that of the employee already appointed to work under regular establishment.

This is issued in consultation with
Finance Department.

Yours faithfully

Joint Secretary to Government
