Rehabilitation assistance to the families of deceased or permanently disabled Govt. servants who die or suffer the disability while in service.

Some guidelines were prescribed in G.A. Department Memo No.24052, dtd.19.10.83 for providing rehabilitation assistance to the families of Government servants who die or suffer permanent incapacitation while in service. The list of family members entitled to get such benefit under the scheme was defined in this Department Memo No.4192, dtd.18.2.84.

Difficulties are being experienced by some of the appointing authorities to extend such benefit to an adopted son/daughter of the deceased or permanently incapacitated employee, since adopted son/daughter has not been included in the list of family members.

It has now been decided that an adopted son/daughter of a deceased or permanently disabled Government employee may be accepted as a member of the family of such Government servant for rehabilitation purpose provided the adoption has been legally perpetuated ^{through} a registered deed.

The above clarifications may be brought to the notice of all officers under your control.
