Government of Orissa,  
Political & Services Department.

ORDERS

Bhubaneswar, the 20th February, 1963

No.2612-2R-I-8/63/Gen.,- Instances have come to notice that departments to whom the cases are referred by the Political & Services(Vigilance)Department, after enquiry into the allegations against an Officer of the Department have again taken up a preliminary enquiry afresh in order to decide whether charges are to be framed or not. This procedure conflicts with the Instructions issued by the Government in their Order No.6634/Gen., dated the 27th May 1961 of the Political & Services(General)Department.

2. I am, therefore, to request that the instructions contained in the order referred to above may be strictly followed by all concerned. Charge should be framed against the delinquent Officers on the reports of the Vigilance Branch and a fresh preliminary enquiry(Ist stage) prior to framing of charge is not considered necessary and should not therefore, be made.

By order of the Governor

R.N.Mohanty

Joint Secretary to Government,
