 2. Resolution No. 15338-Gen, dated the 4th May, 1981.

Consequent upon the decision of the Government of India in the year, 1978, the State Government made reservation of 1% of vacancies for rehabilitation of physically handicapped persons in the public service.

2. Government of India, on consideration of the matter, have decided that for the purpose of employment of the blind, the deaf and the orthopaedically handicapped persons, the reservation in Group C. & D. posts and services for physically handicapped persons should be made to the following extent under the Central Government.

Category of the handicapped	Percentage of reservation
1. The Blind	1%
2. The Deaf	1%
3. The Orthopaedically handicapped	1%

②

3. Accordingly, it was decided by the State Government that the reservations for filling the Group 'C' and Group 'D' posts and services under the State Government and Public Sector Undertakings should be made for rehabilitation of physically handicapped persons of the above categories at the initial stage of recruitment. Detail guidelines for implementation of above decision were prescribed in General Administration Department Resolution No. 15338 – Gen., dated. 04.05.1981. Government vide their General Administration Department Resolution No. 16189 – Gen. dated.16.07.1982, extended the aforesaid reservation of 3% of vacancies for physically handicapped persons to gazetted post in Class – II and specially declared gazetted services & posts under the State Government to which direct recruitment is made.

4. To help the appointing authorities in appointing physically handicapped persons against 3% of the quota as fixed against such posts / services as are available in various departments under the State Government and Public Sector Undertakings, a list of jobs in Class III and Class IV posts / services suitable for each of the categories i.e. the blind, the deaf and orthopaedically handicapped was provided in Resolution No. 15338 – Gen., dated. 04.05.1981.

5. Pursuant to requirements of provisions contained under Section 32 of the Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995, efforts have been made to update the list of posts already identified and prepare a comprehensive list of posts suitable for Persons with Disabilities taking into consideration the developments in technology. Accordingly, a consolidated list of jobs in Group – A, Group – B, Group – C & Group – D posts / services suitable for each of the categories has been prepared and furnished in the Annexure for

guidance of all the appointing authorities under the State Government and Public Sector undertakings.

6. The reservation of posts and services should be made separately for each of the aforesaid three categories of the physically handicapped persons with provision for inter-exchange of vacancies if candidates belonging to a particular category of persons are not available or if the nature of vacancies in an office is such that a given category of persons cannot be employed. If in any year, the vacancies reserved for these categories are not filled up, the reservations should be carried over for a period up to three recruitment years. In order to implement these reservation orders, the jobs which can be performed by various categories of physically handicapped persons without loss of productivity, should be identified by the Government/Departments concerned. **The categorisation of the Persons with Disabilities / Physically Handicapped Persons for employment will be on the basis of definition as per Annexure.**

7. Where a Department consider that it is not possible to provide employment for the persons with disabilities to the extent of reservation in view of the nature of duties expected to be performed by the employees in that particular Department, that Department could be partly or fully exempted from implementing the reservation orders. The grant of such exemption shall be decided by the General Administration Department based on recommendations of an inter-Departmental Committee of W & C.D, General Administration, Health & Family Welfare Department & the Administrative Department concerned.

8. In the categories of jobs which are identified by the Government / Departments as being particularly suitable for persons with disabilities other things being the same preference should be given to

9

handicapped persons for such jobs even in excess of the quota reserved for them in accordance with the instructions contained in paragraph 2 above.

9. With a view to ensuring reservation of vacancies for the persons with disabilities in Group – A, Group – B, Group – C & Group – D posts / services under the State Government and Public Sector Undertakings, it has been decided that a continuous account of the vacancies arising in the above posts / services from year to year may be kept. For the purpose, the appointing authorities shall follow guidelines issued by the State Government from time to time.

10. Regarding medical examination of persons with disabilities, they are to be viewed with utmost sympathy for medical examination. On nomination by the W & C. D. Department, person with disabilities should not be subjected to the usual medical examination on first appointment and the question should be decided on the basis of the reports of the Medical Board attached to the W & C. D. Department for the person with disabilities. In case a person with disabilities appointed in any post / service is found medically unfit for such post or service he is holding and from which he is proposed to be discharged or has been discharged may, wherever practicable, be considered for another identical/equivalent post for which he may be found suitable against direct recruitment quota without insisting on the condition of appointment through the W & C. D. Department. For this purpose, his previous service under State Government or Public Sector Undertakings should be deducted from his actual age and if the resultant age does not exceed the prescribed maximum age-limit by more than three years, he should be deemed to satisfy the condition of upper age-limit for appointment to the posts or services in question under the State Government.

11. The appointing authorities may also give appointment against any post which is not included in the list if it is considered that the physical requirements of the post can be suitable for a person with disabilities for normal transaction of his duties.

12. This replaces General Administration Department Resolution No. 15338 dt. 04.11.1981.

Order : Ordered that the Resolution be published in the extra ordinary issue of the *Orissa Gazette*.
