Government of Orissa,  
~~Political & Services Department.~~

(98)

No. 1783 (27)

Dated Bhubaneswar the 5th February, 1972.

To

71

All Secretaries to Government  
of Orissa.

Sub:-

Submission of complete materials for  
answering Assembly Questions.

Sir,

I am directed to say that of late Government and Heads of Departments and of other Offices are not supplying ~~complete~~ materials in time or are supplying incomplete materials to this Department for answering admitted and starred Assembly Questions relating to service matters scheduled for answer on specified dates, even though they are requested well ahead of the dates to furnish their replies. On account of the non-receipt of replies in time from all concerned or receipt of incomplete replies, this Department finds it unable to supply complete answers to the questions. This places Government in an embarrassing situation on the Floor of the Assembly. It appears that the matter relating to furnishing of answers to Assembly Questions is not being given importance due to it and is dealt with in a routine manner.

I am, therefore, to request that complete materials for answering Assembly Questions whether admitted or starred may be supplied by the due dates to enable Government in this Department to furnish to the House clear and complete replies.
