OFFICE MEMORANDUM

Memo No. SC /6-90/71. 13493 /Gen., dated the 21st August, 1972.

Sub:- Principles for declaring a post Gazetted.

Attention is invited to Political and Services Department Memo No. 2R/1-42/62-7811(30)/Gen., dated 18.6.62 in which certain principles are laid down as the guiding criteria for upgrading the status of a non-gazetted post to that of a Gazetted one.

Instances are noticed that, while declaring non-gazetted posts as gazetted, the criteria as laid down in the memo referred to above are not being followed and the particular post proposed to be declared gazetted is being so declared with the concurrence of P & S Department without obtaining clearance from the P & S Department. Although the pay scale for the post to be declared gazetted is to be finalised with the advice of Finance Department, the views of P. & S. Department are essential for determining the need for declaring a post as gazetted.

The Departments of Government, are therefore, requested to ensure in future that while considering any proposal for declaring a post gazetted, the principles as outlined in the P & S Department memo referred to above are kept in view and the concurrence of P. & S. Department obtained invariably before issuing orders declaring a non-gazetted post as gazetted.
