Sub:- Reservation of vacancies for rehabilitation of physically handicapped persons in Class.III and Class-IV posts/services under the State Government and Public Sector Undertakings.

The undersigned is directed to say that it has been brought to the notice of this Department that no reservations are being kept for the posts of Teachers other than the Primary School Teachers for the rehabilitation of physically handicapped persons on the ground that no such post has been specified in the annexure appended to this Department Resolution No.15338 Dt.4.5.1981. In this connection attention is invited to paragraph.3 of this Department Resolution referred to above read with para.2 of this Department Resolution No.16433 Dt.24.7.1978 wherein Government have taken a decision to keep reservation in all Class.III and Class.IV posts under the State Government and Public Sector Undertakings for rehabilitation of physically handicapped persons. But the very intention of Government to append the listed jobs as annexure to this Department Resolution No.15338 dt.4.5.81 is that the physically handicapped persons can be absorbed in excess of the reserved quota fixed for them in these listed jobs. This was clearly mentioned in para.6 of this Department Resolution issued on 4.5.81.

In view of the above decision of Government, communicated to all concerned there should be no reason as to why the physically handicapped persons shall be deprived of getting the specified reserved quota for their rehabilitation in the post of secondary school teachers which is a Class.III post. Besides, Government have also decided that reservation in Class.II gazetted posts/services shall be made which are filled up by way of direct recruitment for the physically handicapped candidates which
