Subject : - Permission to Government servants to
join educational institutions.

Dated, Bhubaneswar, the 16th August, 1962.

.....

The undersigned is directed to invite a reference to the Home Department memo No.7170(22) A dated 8.9.51 which states that a Government servant who has not completed 3 years of service under Government should not be permitted to join educational institutions for higher studies. This was further emphasised in the Circular issued by Political and Services Department memo No.2222(74) Gen., dated 23.2.1961.

Consequent on the Government decision to open evening Colleges at Cuttack and Bhubaneswar to provide scope for Government servants for higher education and also to make up the lee way in higher education in the State, Government have reviewed the position and have been pleased to relax the condition of 3 years of service for all Government servants who intend to join the evening Colleges mentioned above, if they so desire, irrespective of the period of service rendered by them under Government. It is however strassed, that none can join the College without previous permission of the authority empowered to give such permission to the Officer intending to join the Classes. Permission should not be given where the Government work is likely to suffer. In case of non-gazetted officers such permission may be given by the Head of the Office concerned and in case of Gazetted Officers whose appointments are made by Government necessary permission may be given by the administrative department of Government.
