From Sri H. Sahu, B.A., O. S. S.,

To The Accountant General, Orissa,

Bhubaneswar, the 5th December, 1963.

Sub: Service benefits to State Government servants
and outsiders who ~~are~~ under approved military service
on return to employment under State Government.

.....
Sir,

With reference to your No. TM-1-40-1052 dated 2.9.63 I am directed to say that your presumption that the benefits of counting the period of military service towards total length of service and seniority of a temporary Govt. servant permitted to take up military service in the post in which he is absorbed on release from the Military service as provided in para 1(b) of Annexure I appended to this Department circular memo No. 6225(88) Gen., dated 2.5.63 will be admissible only when the temporary Government servant is absorbed without break in Govt. service soon after his release from the military service is correct. The question of break may not arise in such case as 25% of posts in different services, falling vacant every year are to be reserved for such military service candidates. Where however the break occurs due to the fault of such a candidate he may be treated as a new entrant and will avail of the benefit for military service like an outsider under Annexure II of the said memo.

Your presumption that according to para 1(c) of Annexure I of the said memo a temporary Government servant who declines confirmation against the post he was holding while on war service will, on his return to this post after his release, be confirmed against the next available post is

31/85
s also confirmed.

Yours faithfully,
